

Art Abroad and Contemporary Culture: New York Program now accepting registrations

## Contemporary Culture: New York

The following overseas fieldwork art history subjects are now open and available for registrations

107-306 Art Abroad (for third year students)

107-466 Contemporary Culture: Art in New York (for fourth and fifth year students)

Subject Lecturer: Associate Professor Charles Green  
School of Culture and Communication

This is an intensive subject taught on-site in New York in the Winter Break, 13 June - 13 July 2010.

Contact ASA for the itinerary, reservation form and a direct deposit/credit card payment form. (Details below)

There is a quota of 30 places available. Applications will be allocated a place and academically reviewed in order of receipt of correctly completed form and deposit received.
